WHO'S WHO AT BOOKER

COMMITTEE

The club is run by a committee elected by the members, they become directors of Booker Gliding Club Ltd. We have a few paid staff, but much is done by club member volunteers, the club could not function without their efforts.

AGM

The AGM is usually held in February or March, all members are invited to attend. At the meeting the committee members are elected and the results for the previous financial year (ending 30 September) are presented.

At each AGM one third of the committee members (those who have served the longest) retire and may offer themselves for re-election, alongside any other candidates nominated by members. Committee members have specific responsibilities. The committee and other club members with specific responsibilities are listed below:
