

THAMES VALLEY GLIDING CLUB

CHARGES

Issued at 12th April, 1976

The following charges are current as from the above date which is the beginning of the Thames Valley Gliding Clubs, (T.V.G.C), financial year, but it should be noted that the launch and soaring charges are subject to revision during the year.

A full member is automatically a member of the Wycombe Gliding School, (W.G.S), and is entitled to use the Clubhouse bar facilities. The following charges are for basic guidance only to persons who may wish to join the club, and are quoted inclusive of V.A.T. Further and more comprehensive and updated details are available from the Gliding Office at Wycombe Air Park.

<u>Full Membership</u>		<u>Aged 18 and over</u>	<u>Aged under 18</u>
Entrance Fee		£32.00	£16.00
Annual Subscription	1st Apr-31st Mar	£35.00	£17.50
Half Yearly Subscription	1st Oct-31st Mar	£20.00	£10.00
Last Quarterly Subscription	1st Jan-31st Mar	£10.00	£5.00

Associate Membership (non-flying)

Annual subscription £10.00, and subject to individual written application and approval by the T.V.G.C. Committee.

Student Group Membership

A scheme is available to approved Universities and Colleges sporting unions or associations for Group block membership. The scheme is open on a yearly basis only, and as with admission, is operated entirely at the discretion of the T.V.G.C. Committee. Further details may be obtained by applying to "The Chairman, T.V.G.C.", Wycombe Air Park, Booker, Marlow, Bucks.

Air Experience Flights

To 2000' and to a maximum soaring time of 15 minutes. The cost quoted includes the day membership fee of £1.10, and any further flights in that day will be reduced accordingly £4.70

Launch Charges

Minimum launch to 1400' charged at	£2.10
and for each additional 200' a charge of 30p.	
Thus to a height of 2000' charged at	£3.00

Soaring Fees

Are calculated up to the nearest 5 minutes	<u>Dual</u>	Solo
and are charged at rate per hour of	£2.40	£1.80

During training, the average flight will be to a height of 2000', and, if the weather is not soarable, of 15 minutes duration. Thus, the total cost will be £3.00 for the launch plus 60p. for the flying time, a total of £3.60. After having gone solo, the time and distance that can be flown is limited only by experience and the weather, and when you stay airborne for 2 hours the cost including a launch to 2000' is a mere £3.30 per hour
